

EVERYONE'S FAVORITE VALENTINE

Nothing can be sweeter than to get one of these Valentines in February! Well, the specials we have this month is just like getting a whole bunch of cash for Valentines Day. In fact, we're going to do just that. Besides all the other offers you'll find in this mailer, you'll find an extra bonus coupon on the back page. It will be good only on Valentines Day, February 14, 2012. It our gift to you to thank you for thinking of us on that day.

But while we're talking about giving, all of the major paint companies are giving too. More price increases that is. All of the major brands are going up in February and March. PPG prices will rise February 5th. Glidden professional won't rise until March. And most of the brands we don't sell, will go up somewhere in between. There's some sundry lines going up as well. Like you, we have very little say on who raises their prices, how much they raise them, or how many times they do it. It just seems never to end. These increases put pressure on all of us to stay profitable, at a time when it gets much harder to do so.

We're working hard to find ways for our clients to offset these increases, and keep you profitable. Call us, and we'll show you how to make the best out of these challenging times. One way is to take advantage of all of our promotions, like these mailers. And don't forget our **MASTERSHOW**. It's our 35th MASTERSHOW, and we'll show you on **March 29th**, how rolling back these price increases is just the beginning of your savings.

At Masterwork, we work for you - everyday.
